

PALM BEACH ATLANTIC UNIVERSITY: REOPENING 2020

Dear PBA parents:

We have been tirelessly working to prepare for a safe return to campus this fall. Please refer to the *Sailfish Safe – PBA Return to Campus Plan*. The details of our plan to resume face-to-face instruction, on August 17th, can be found by accessing the following link:

<http://www.pba.edu/campus-life/health-wellness/safety/covid-19/index.html>

We are fully committed to your student's safety and education. The University has spent months working with healthcare experts, local and state officials, and key members of our campus community to ensure that we provide a safe, yet full college campus experience this fall. However, we need the help, support, cooperation and patience of each PBA family, faculty and staff, to succeed. Please carefully read the *Sailfish Safe* plan, so that your family can contribute to making this campus a safe, thriving learning community that reflects how Christ describes the Kingdom of Heaven.

We will be praying for your safety and blessing through the remainder of this summer.

Most sincerely,

Mary Jacobs

Palm Beach Atlantic University
