

CHILDREN'S CREATIVE & PERFORMING ARTS ACADEMY: SAN DIEGO CA

Good Morning,

The current plan for Children's Creative & Performing Arts is as follows:

When we return to school, we will be having in person class. Over the summer we have been installing all the social distancing notices, making hallways into one-way access points, and rearranging classrooms. We will be teaching a lot of our classes outside in our courtyards as much as we can. There will be a temperature and wellness check before any student enters the campus, before proceeding to the hand washing station.

With CA and specifically San Diego going back into a 3-week shutdown we are thinking about changing our starting date from August 17th to our usual start date of after Labor Day which would be September 8th. We are waiting to see how the COVID-19 cases play out in the next week before making a final decision on the exact opening date.

Thank You
Stay Safe
